WALTZ--SONG,

Reply to the famous

"WHEN THE ROBINS NEST AGAIN,"

BY

FRANK HOWARD,

Of Thatcher, Primrose & West's Minstrels.

"MR. HOWARD, whose reputation is already fully established as the most successful popular song writer of to-day, has just composed a most beautiful waltz-song, entitled "The Springtime and Robins have Come." Mr. Howard is now singing it nightly with Thatcher, Primrose & West's Minstrels and we predict for it a wider popularity than has been achieved by his two previous successes, "Only a Pansy Blossom" and "When the Robins Nest Again."—*Herald*.
