Now that I have found you I can say,  
I'm gonna stay beside you every day.  
I've never felt like this before in my life.  
And for this reason I want you for my wife

I can't believe that this has happened to me  
And now I know I want you (always) to be  
close to me in everything I do  
And in that way there's nothing I can't do.

Now that I have found you I can say,  
I'm gonna stay beside you every day.  
I've never felt like this before in my life.  
And for this reason I want you for my wife

I can't believe that this has happened to me  
And now I know I want you <sup>always</sup> to be  
close to me in everything I do  
And in that way there's nothing I can't do.

I never knew what being alone could do <sup>to</sup> me  
or what the feeling of losing all could be.  
To wake up mornings having ~~nothing~~ <sup>nothing</sup> to do but cry  
~~because~~ and have someone you love ~~there~~.. send goodbye

Ever since that day you left me ~~here alone~~ <sup>and I have tried</sup>  
To make myself forget the things that now ~~have~~ <sup>are</sup> here  
But though I try ~~to know~~ <sup>I know</sup> the truth is there to see  
your always going to be a part of me

Bridge  
And → I never thought that you would leave this way.  
To think that all this time I thought you were mine  
~~Now~~ You can go out and ~~face~~ <sup>face</sup> the day  
Without you ~~love~~ <sup>all</sup> fall for sure

But I know the world won't end because of this  
And ~~someone~~ <sup>someone</sup> else will come to bring me happiness  
and when she comes along we'll fall in love and then  
The whole thing will start happening again

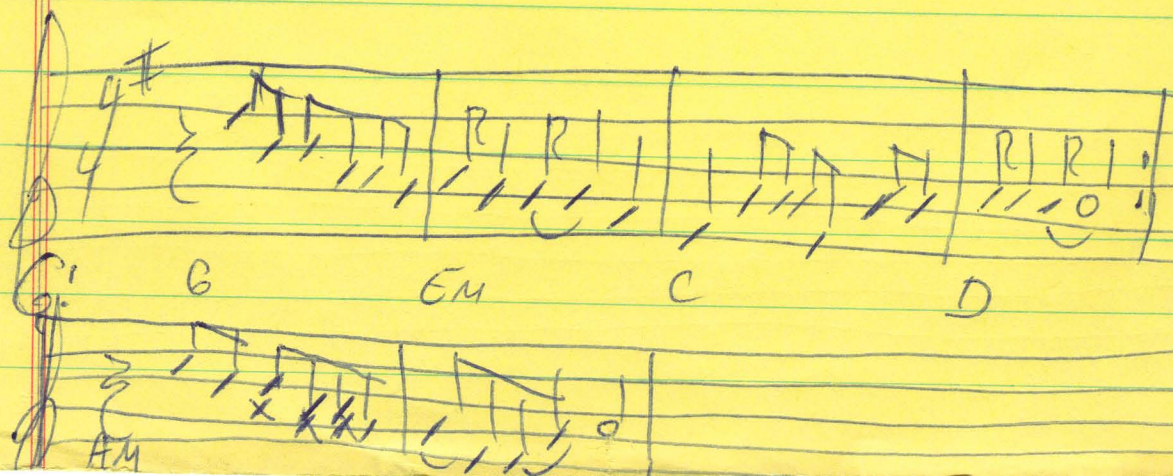

I never knew what being alone could do <sup>to</sup> me  
or what the feeling of losing all could be  
To wake up mornings having ~~nothing~~ <sup>nothing to do</sup> but cry  
~~because~~ and have someone you love ~~there~~... said goodbye

Ever since that day you left me ~~here alone~~ <sup>and I've tried</sup>  
To make myself forget the things that were ~~hard~~ <sup>harder</sup>  
But though I try ~~to know~~ the truth is there to see  
you're always going to be a part of me

Bridge  
I never thought that you would leave this way.  
To think that all this time I thought you were mine  
~~How~~ You can go out and ~~face~~ face the day  
Without you love ~~is~~ <sup>will</sup> fall for sure

But I know the world won't end because of this  
And someone else will come to bring me happiness  
and when she comes along we'll fall in love and then  
The whole thing will start happening again
