THE THREE EARLIEST COMPOSITIONS

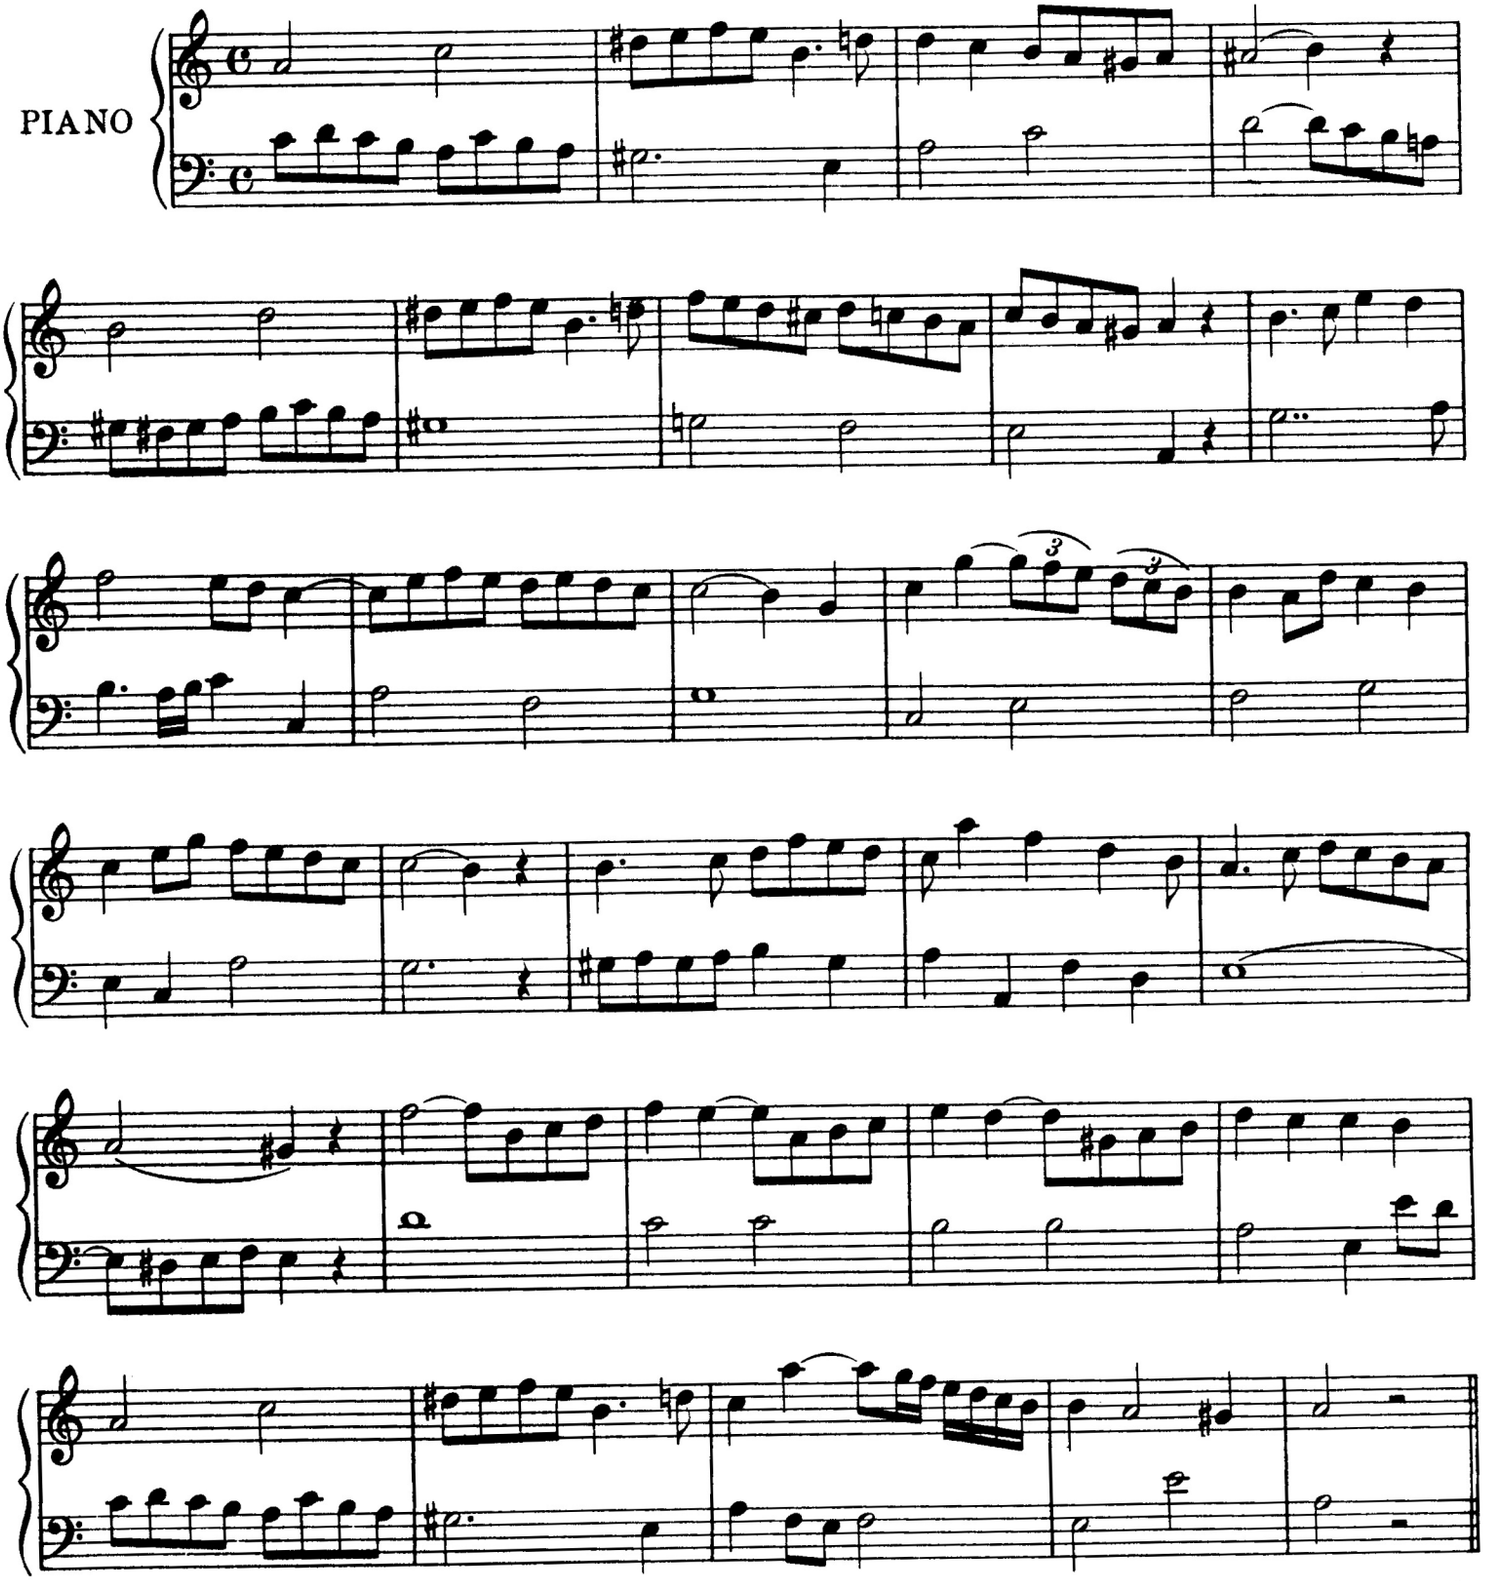

(LES TROIS PREMIÈRES COMPOSITIONS)

(Composed in 1835)

CÉSAR FRANCK

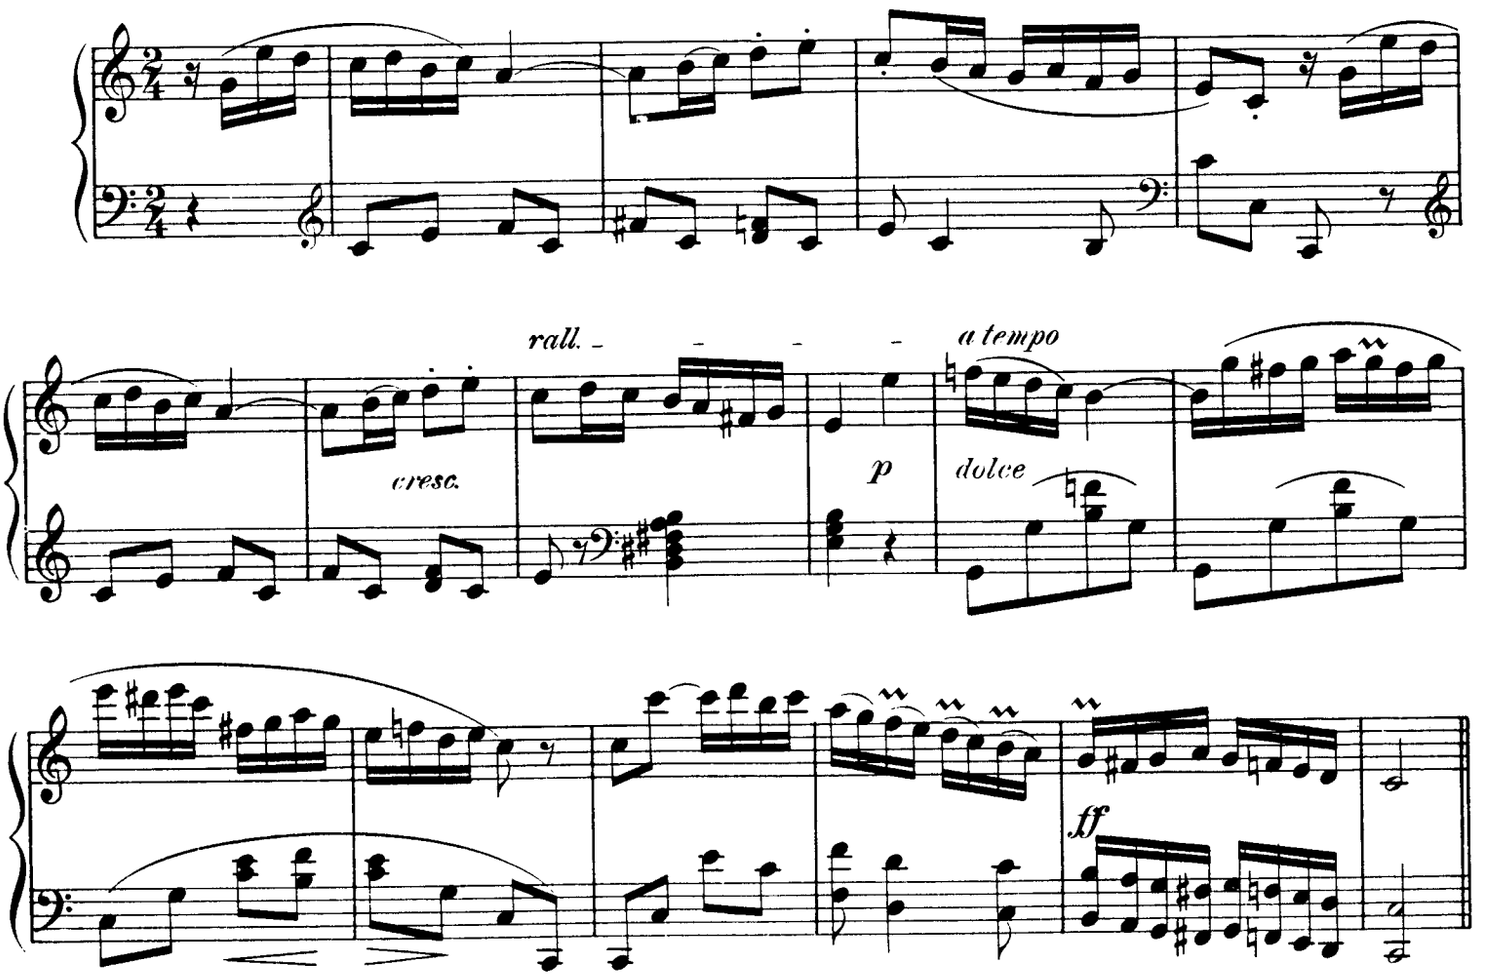

I

PIANO

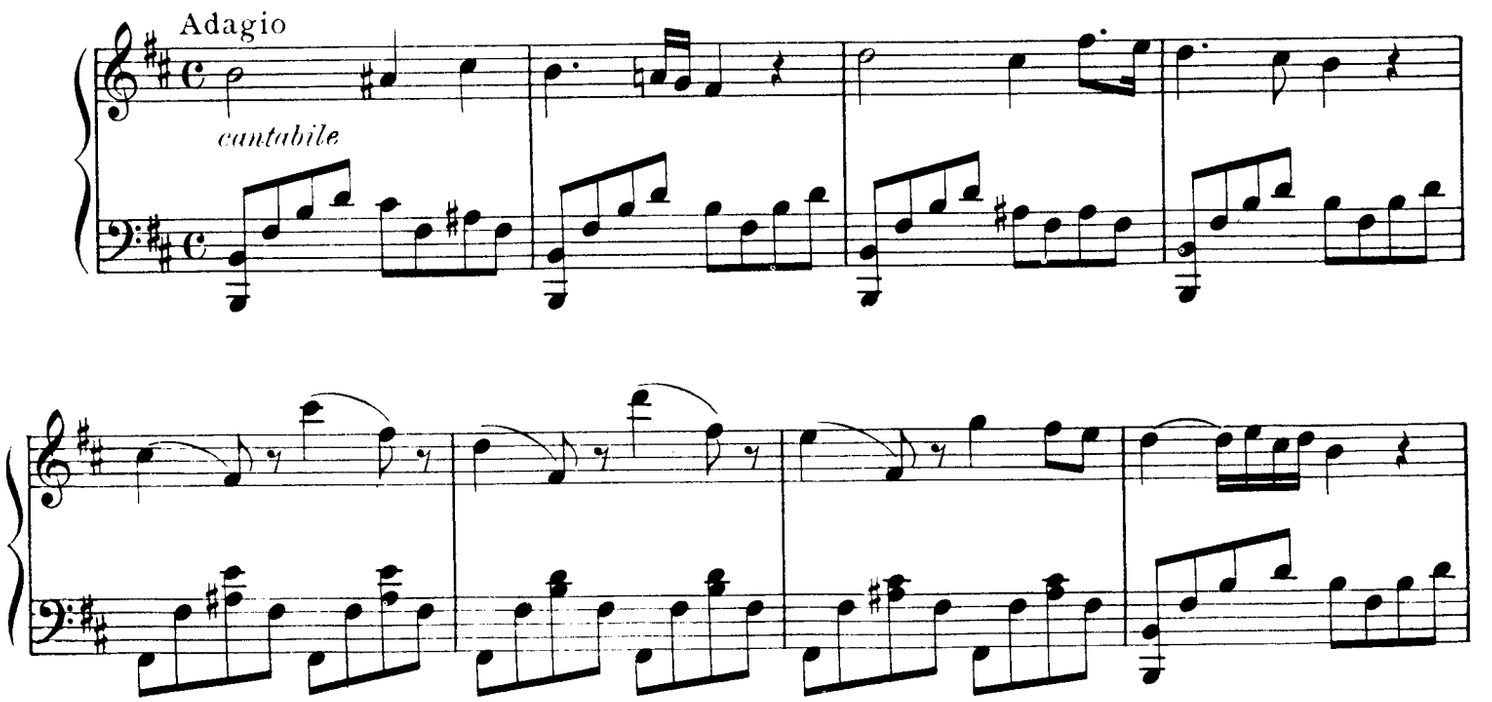

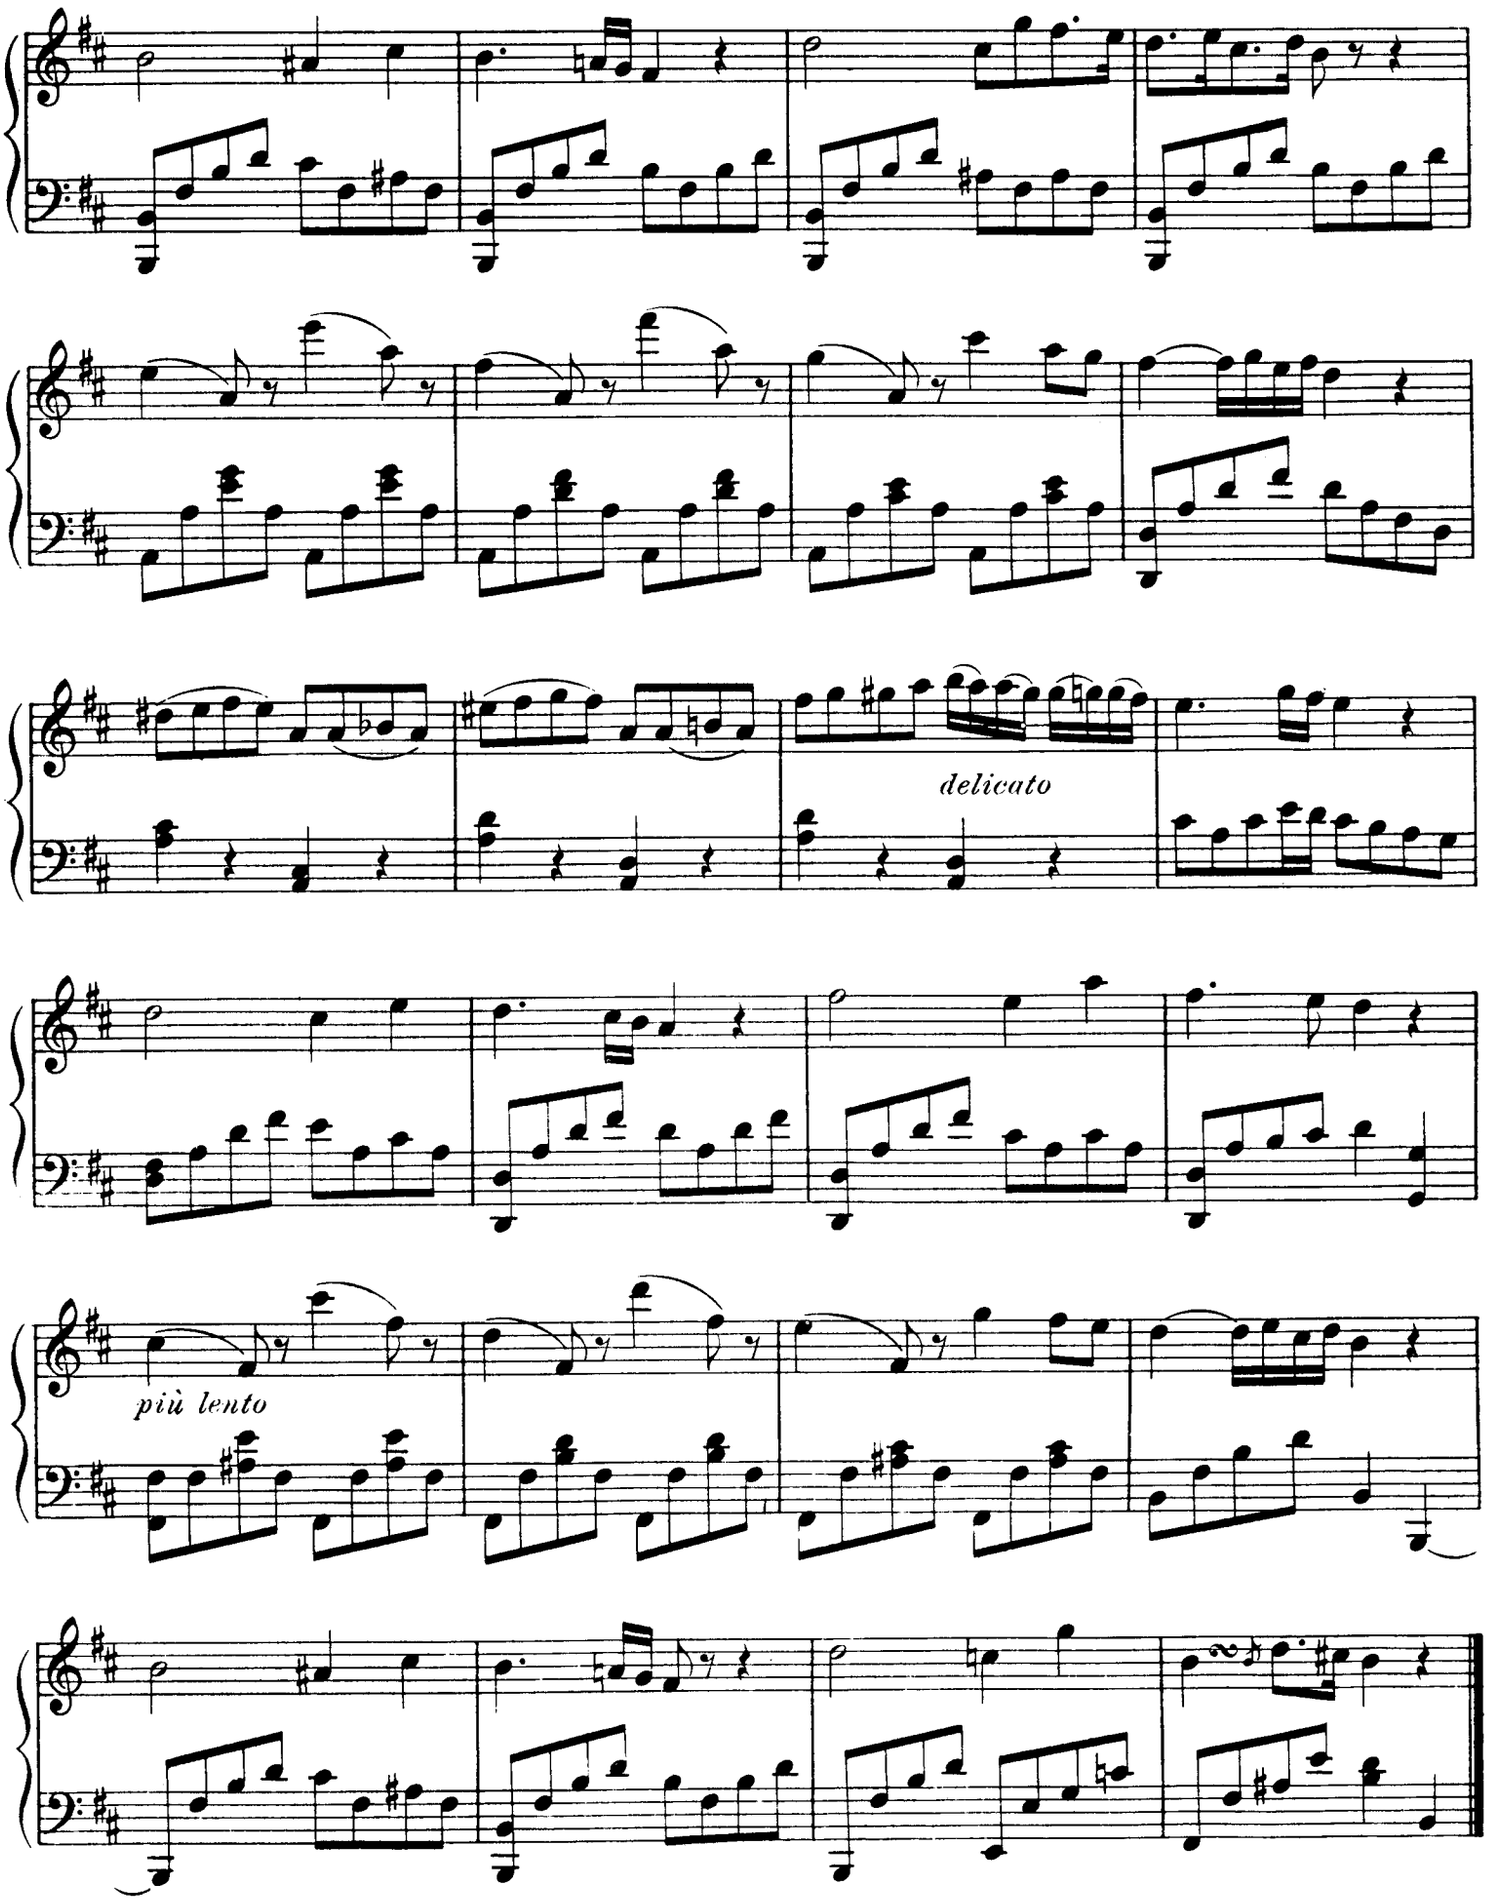

These three little piano pieces are taken from Franck's book of exercises in counterpoint and fugue of the year 1835. Nº I carries these words: *"Chant à moi avec des appogiatures, à accompagner."* These are undoubtedly the first three compositions of César Franck, who was then twelve years and six months old.
